Subject: Non-solicitation violations

Hi Kerry and Nick,

Passing on to you two concerns we have regarding former employees who were recently terminated and are now working at a competitor (AHS Staffing). See examples below of both of them soliciting our providers.

Rachel Shafer is soliciting one of her former RNN providers, Amanda Fobar, to work for her at AHS.

[Tuesday 3:52 PM] Leslie Miller

We have a provider who has an offer with us and Rachel is telling her she has an offer.

[Tuesday 4:00 PM] Leslie Miller

She is currently on assignment with us, and was working with Rachel previously.
